December 21, 2004

FROM: **PATRICK J. MEAD**, Director
 Department of Public Works - **Transportation**

SUBJECT: **NAME CHANGE OF STATE STREET TO UNIVERSITY PARKWAY-
 MUSCOY AREA**

RECOMMENDATION:

- 1) Conduct a public hearing on the proposed name change of State Street to University Parkway from Highland Avenue north to Cajon Boulevard, in the Muscoy area.
- 2) Approve name change of State Street to University Parkway.
- 3) Direct the Clerk of the Board to mail a copy of the Certified Minutes to the property owners along University Parkway affected by this change.

BACKGROUND INFORMATION: The Department of Public Works is proposing to change the portion of State Street, from Highland Avenue north to Cajon Boulevard, to University Parkway. From Highland Avenue north for 330 feet, the City of San Bernardino has divided maintenance on the west side of State Street. This name change will maintain consistency with the street name as it is reflected from Cajon Boulevard north to the California State University. The City of San Bernardino is in concurrence with this change and will process the change for the property located within the City boundaries. After completion of the Interstate 210 freeway, the sign for the exit will reflect the off-ramp as University Parkway. Letters were mailed to ninety-five (95) property owners requesting a response to the change. Of those who responded, thirty-nine (39) are in agreement to the change and 8 oppose the change. In accordance with Section 970.5 of the Streets and Highways Code, a public hearing must be held in order to have the existing name of the street changed. Notice of this hearing was posted at least 10 days prior to the hearing date, pursuant to the Streets and Highways Code.

REVIEW AND APPROVAL BY OTHERS: This item was reviewed with the Highway Planning Technical Committee on October 28, 2004, and with Deputy County Counsel Charles S. Scholastico (387-5481), on December 9, 2004 and County Administrative Office (Tom Forster, Administrative Analyst, 387-4635) on December 13, 2004.

FINANCIAL IMPACT: There is an incurred cost of \$4,000 to replace eleven street markers and minor administrative costs to update Department records. Funds for this action are available in the Department's 2004/2005 Operations budget.
